Handouts: Meeting Agenda, DRAFT Meeting Minutes (2.13.13), Recommendations to DCFS on nutrition, screen time and physical activity standards for Rule 407, Issue Selection Criteria, Health Subcommittee Work Plan, Health Subcommittee's proposed health areas for early childhood system; Template: How health is addressed within EC system

Health Subcommittee Charge: The Health Subcommittee will develop strategies for 1) integrating health across early childhood systems and for 2) addressing gaps in health-related services that can be addressed by early childhood systems in order to support children's healthy development and school readiness. The Health Subcommittee will also define measurable outcomes for accomplishing these work priorities.
